Hakonechloa macra

Beni-kaze

AGM Winner

A very hard-to-find Japanese selection. It forms a flowing mound of green foliage that takes on striking red tones in the fall. The cultivar name can be translated as “red wind,” which describes this plant’s autumn look perfectly. 24-36” x 24-36”.

Common Name
'Beni-Kaze' Japanese Forest Grass

Variety
Beni-kaze

Zone
Zone 5
