Helleborus x hybridus

# Royal Heritage

Elsley | Briggs Nursery 1999 Plant of the Year

The Royal Heritage™ Hellebores are a strain of hybrids developed over many years by the noted plantsman, John Elsley. They have long-lasting, cup-shaped flowers in a range of colors that includes shades of purple, pink, green, white, and near black, all with a contrasting center of yellow stamens. Blooms begin in Winter & continue for 2+ months. Leathery, dark green leaves persist well into Winter. Introduced by Briggs Nursery. 1999 Briggs Plant of the Year. 1.5′ x 2′
