Yucca rigida

Blue Sentry

‘Blue Sentry’ has striking blue needled new growth, fading to powder blue, with a narrow yellow margin. Slow upright habit, to 10+’ with age. more often 4 to 5′. With some maturity, a beautiful 5’ -6’ stalk of creamy white bell flowers appear above the needles. Does best in full sun, alkaline, well drained soils, but is tolerant of most conditions.
Drought resistant once established, a bit of supplemental Summer water will ensure a better show. Pollinator friendly and wildlife resistant.

Common Name
'Blue Sentry' Adam's Needle

Variety
Blue Sentry

Zone
Zone 5

Mature Size
10'H x 5'W

Bloom Time
August

Plant Type
Perennials

Flower Color
Greeny Cream
