

Ilex Glabra

Densa

'Densa' is a medium-sized, evergreen grower that consistently produces an abundance of black berries, that hold on through the Winter. Branching is more upright than other varieties.

Prefers full to partial sun but tolerates shade. Likes regular water but is increasingly drought resistant as it matures. Very salt & wildlife tolerant too.

Does well in wet areas.

Pollinator and wildlife friendly.

Common Name

'Densa' Inkberry

Variety

Densa

Zone

Zone 5

Mature Size

8'H x 8'W

Plant Type

Evergreen Shrub
