

Phormium

Jester

'Jester' grows to about 18 inches tall, with very showy, slightly arching 2- 3 feet long, pinkish leaves, having an orange midrib and lime green bands near the margins. Best color in full to partial sun.

Tolerates fairly dry conditions but looks best with occasional to regular irrigation.

Salt-spray & wildlife tolerant once established.

Common Name

'Jester' New Zealand Flax

Variety

Jester
