

Rhododendron

Calsap

Michener

'Calsap' puts on quite a flower show! White flowers, with a bold purple flare on the upper lobe, in a formal truss.

Calsap' combines the hardiness of 'Catalga' with 'Sappho' to produce a super hardy, upright grower. Best in partial shade, with occasional water and well drained, humitic soil. Pollinator friendly.

Common Name

'Calsap' Rhododendron

Variety

Calsap
