

Sarcococca ruscifolia

Fragrant Sweetbox

Fragrant Sweetbox reaches its peak in the middle of Winter! Extremely fragrant, tiny white flowers are hidden among its glossy, dark-green foliage. Following flowering, small scarlet berries appear.

Sarcococca ruscifolia thrives in the shade, and prefers well drained, humitic soil.

Great plant near an entrance or walkway, where it can be appreciated by passer-byes.

Drought and wildlife tolerant once established.

Pollinator friendly.

Common Name

Fragrant Sweetbox

Zone

Zone 7

Mature Size

5'H x 5'W

Bloom Time

January-February

Plant Type

Evergreen Shrub

Flower Color

White
