

Clematis

Elsa Späth

Ludwig Späth Baumschule

'Elsa Späth' Spring crop brings larger, dark violet flowers, from 6" to almost 9" across, occasionally semi-double, and occasionally with a darker midrib.

These flowers do not make all at once and you are assured of later season blooms, albeit a bit smaller.

Best in 6+ hours of sun.

Hummingbirds love this plant!

A Group 2 Clematis – Early to midseason flowering.

Repeat Bloomer.
