

Daphne x transatlantica

Summer Ice

 Award, Briggs

A choice evergreen daphne with variegated foliage and a propensity to bloom from spring until fall. The leaves have a fine, creamy white edge, less prominent than that of 'Carol Mackie', and the fragrant white flowers appear in clusters that dot the bush right through Summer. Briggs Nursery's 2006 Plant of the Year. 3' x 3'

Common Name

'Summer Ice' Daphne

Variety

Summer Ice

Zone

Zone 6

Mature Size

3' x 3'

Bloom Time

Midspring to Early Fall

Plant Type

Evergreen Shrub
