

Carex Morrowii

EverColor®

Pat FitzGerald

Plantarium 2018 Gold Medal

Royalty Fee

Everglow® offers a fantastic color combo. Crisp, green foliage sports creamy white margins in spring and summer. The edges develop an orange tint in fall and winter, which gives it a warm, overall glow. It stays in a neat, upright, easily controlled mound and does not run like 'Ice Dance.' Shade tolerant, but prefers a drier soil than most sedge. Good in containers, walls, and well drained garden areas.

Common Name

Japanese Sedge
