

Carex Oshimensis

EverColor®

Pat FitzGerald

Royalty Fee

Sedge with slender, arching, lime yellow leaves with deep green edges. Low maintenance, cold hardy, and compact clumping habit make 'Eversheen' a great ground cover or container plant in year round displays. Enjoys full sun and part shade and thrives in moist, fertile, well drained soils. Best foliage color is obtained in part shade rather than full sun.

Common Name

Japanese Sedge

Variety

Eversheen

Zone

Zone 5

Mature Size

16"H x 16"W
