

Carex Oshimensis

# EverColor®

Pat FitzGerald

Royalty Fee

Sedge with slender, arching, lime yellow leaves with deep green edges. Low maintenance, cold hardy, and compact clumping habit make 'Eversheen' a great ground cover or container plant in year round displays. Enjoys full sun and part shade and thrives in moist, fertile, well drained soils. Best foliage color is obtained in part shade rather than full sun.

*Common Name*

**Japanese Sedge**

*Variety*

**Eversheen**

*Zone*

**Zone 5**

*Mature Size*

**16"H x 16"W**

*Plant Type*
