

Clematis

# Jackmanii Superba

Jackmanii 'Superba' is an improved version to the long standing favorite, Clematis 'Jackmanii,' the most popular and reliable Clematis since its introduction in 1880. Covered with a profusion of velvety purple flowers with a slightly darker and reddish central bar. Four-petaled blossoms are 5" across and followed by silky seed heads.

Best in 6+ hours of sun.

Wildlife resistant.

Hummingbirds love this plant!

A Group 3 Clematis – Late flowering on new growth.
