

Fothergilla major

Mount Airy

Dirr

Award, AGM

An outstanding cultivar selected by Michael Dirr from the Mount Airy Arboretum in Cincinnati, Ohio, for its consistent fall coloration, heavy bloom, and vigor. The fragrant midspring flowers are the familiar creamy bottlebrushes; the fall color is a spectacular blend of yellow, orange, & red. Larger growing than the species, with a rounded habit. 5' x 5'

Common Name

Fothergilla

Variety

Mount Airy

Zone

Zone 5

Mature Size

5-6' x 5'

Bloom Time

Midspring

Plant Type

Deciduous Shrub
