Anemone x

Spring Beauty Pink PP32199

AB Cultivars | Royalty Fee

Spring Beauty Pink is a brand new pink hybrid selection with flowers that resemble those of Anemone sylvestris. Blooms profusely in late spring and early summer. Delicate looking, but super sturdy, the bubblegum pink flowers flutter in the wind and stand straight and tall.

Grow in full sun to part shade in average, well drained garden soil. Pest and disease free and hardy to USDA zones 3-7. Best suited for borders, containers, and foundation and mass plantings.
