

Rhododendron

Wojnar's Purple

Wojnar/Mehlquist

The “J” is silent, but this dark purple speaks for itself. Nearly our entire first crop of #1-size plants set one to three buds each. The late-midseason flowers, in dome-shaped trusses of 15”-20”, are a vivid reddish-purple with a dark purple flare. 3’ x 3’

Common Name

'Wojnar's Purple' Rhododendron

Variety

Wojnar's Purple

Zone

Zone 5 (H1)

Mature Size

3'H x 3'W
