

Berberis Thunbergii

Golden Rocket

Michal Andrusiv

Royalty Fee

Narrow & upright growing, this pillar of golden-chartruse foliage will have you taking a third look! Excellent as a formal hedge, markers for a formal exit/entry, or to add an out-of-the-ordinary accent. Birds love the Winter red berries. Full sun to partial shade. Would enjoy some protection from the hottest sun. Likes well drained soil. Drought tolerant & wildlife resistant, once established.

Common Name

'Golden Rocket' Japanese Barberry

Variety

Golden Rocket

Zone

Zone 4

Mature Size

5'H x 2'W

Bloom Time

Spring

Plant Type

Deciduous Shrub
