

Choisya Arizonica

Bluestone

Cistus Nursery

'Bluestone' is a finely textured plant with pale stems, narrow, blue-tinted leaves, and dime-sized flowers in Spring and sporadically throughout the season. Leaves are glossy and the whit flowers have the typical Choisyia 'citrus' fragrance. Full sun to part shade, and good drainage are important. Choisyia 'Bluestone' has may be as hardy as Zone 6. Drought & wildlife resistant once established.
