

Cyclamen Purpurascens

Sow Bread, Hardy Cyclamen

Fragrant cyclamen come into bloom when you would least expect it – the heat of Summer! Upright, twisted petals of light pink to deep magenta sit high above the foliage on burgundy stems.

Prefers shade to partial shade and very humitic soil. Will stay evergreen if kept watered, otherwise goes Summer dormant.

Common Name

Sow Bread, Hardy Cyclamen

Zone

Zone 3

Mature Size

6

Bloom Time

August- October

Plant Type

Perennials

Flower Color

Pinks & Purples
