

Pieris japonica 'Katsura'

This evergreen shrub is known for its wine red new growth and its long pink racemes of bell-shaped flowers.

The burgundy new growth and long-lasting pink blooms provide year-round color.

'Katsura' thrives in partial shade and does best in well-draining, slightly acidic soils.

Hardiness zones 6 to 8.

We have *Pieris* 'Katsura' available in liner and container sizes. Also check out the selection of other *Pieris japonica* varieties available at Briggs.
