

Seedless Table GRAPES

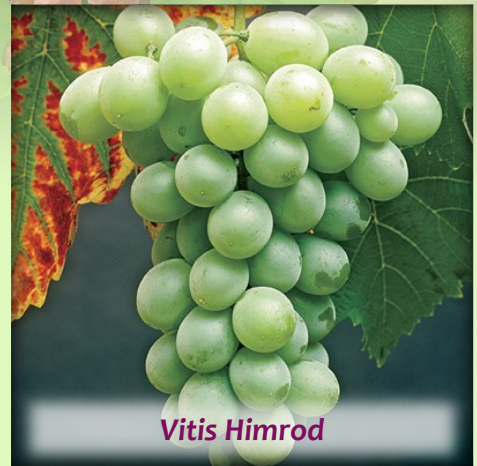

Sourced through clean plant centers, certified, and reproduced by tissue culture!

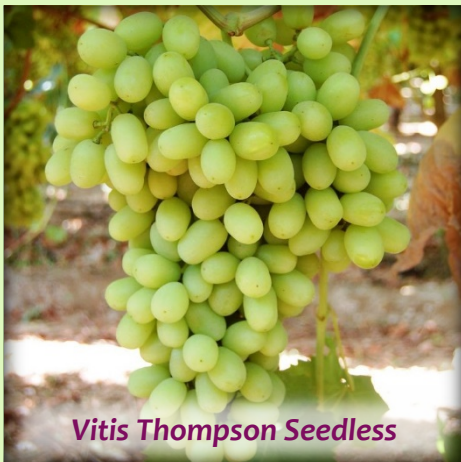

Vitis Monukka

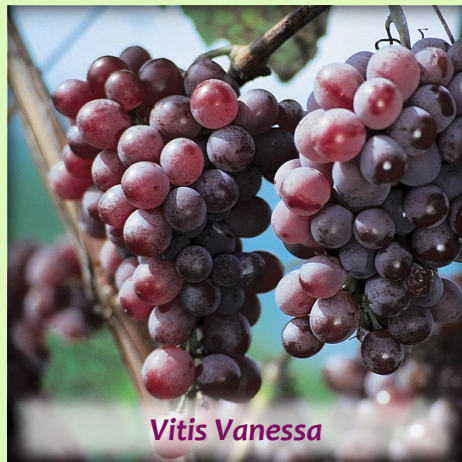

Vitis Concord Seedless

Vitis Himrod

Vitis Thompson Seedless

Vitis Vanessa

Vitis Summer Royal

By sourcing exclusively through clean plant centers, and reproducing through tissue culture, our customers receive cleaner, more vigorous plants, that meet all state requirements and/or restrictions for shipment. Our plants will also meet Canada's stringent import guidelines (additional documents may be required). Cleaner grape vines are key to higher yields and cost effective, sustainable production.
