

Clematis hybrid

'TAIGA'

Stunning, two-toned blooms in shades of violet and creamy chartreuse, make Clematis 'Taiga' a garden standout!

Clematis hybrid 'Taiga' PP27591

Developed in Japan, and first introduced at the 2017 Chelsea Flower Show, this new clematis is unlike any you have ever seen. Very flamboyant, huge, double flowers of vivid purple, with cream-tipped central petals, blanket the vine for an extended summer bloom, while bright green foliage provides a lush backdrop. Relatively compact at 8'H x 3'W, Taiga is a hardy climber, that will readily trail up fences, arbors, porch and deck railing, balconies, or wherever you want to enjoy Taiga's uniquely colorful blooms.

- Award winner!
- USDA Zones 6a to 9b
- Climbing vine; 7-8'H x 3'W
- Extended, early thru late summer flowering period
- Abundant, colorful, double blooms
- Fertile, well-drained, humus-rich soil
- Full sun to part shade
- Hardy bloomer that is easy to care for
