

*Slender, distinctively swirly leaves with vibrant, orange-red new growth distinguish this fiery new Nandina from Sidhu & Sons Nursery*

***Nandina domestica 'Nansid6'***

***Bonfire***  
TM

USPP 29,798  
CPBR 5578

*Our new Nandina features swirly, orange-red new growth with the same great growth habit of its parent, 'Gulfstream'.*

- Nandina 'Nansid6' PP29,798 Bonfire™
- Leaves are slender and distinctively swirly
- Brilliant orange-red new foliage
- Excellent as specimen, planted en masse as an informal, colorful border, or in larger mixed containers
- USDA Zone 6 to 9
- Full sun for best color; will tolerate shade
- Slightly acidic soil is optimal, but very tolerant of most soils
- Low water usage and drought tolerant once established
